

Dear Tyler Street Business Group member,

Discover Tyler Street is happening this week, Thursday August 27, 5:00 – 8:00 PM, at the corner of Tyler and Woodlawn (same location as last year)! We have an outstanding lineup of Arts, Activities & Innovation with fun, food and hands-on activities for kids and adults. Zumba too! We hope to see you there!

Transformative Development Initiative

THANK YOU to all who attended the Kickoff meeting on the 19th at the Union Hall. If you could not attend, there will be several opportunities in the next few months. Several focus groups and open meetings are planned at different times of day and night to bring together – residents and business people alike – to provide input and focus on how best to revitalize the Morningside neighborhood.

So, put on your thinking caps. We need everyone to help propel the economic development of our area with stores and services within walking distance. We are a neighborhood on the move! Be a part.

Follow DiscoverTyler on Facebook, check the TDI webpage at www.tylerstreetpittsfield.com/TDI and/or watch for email announcements for meeting notices and updates.

See the website page for press coverage of TDI – the event was covered by the Berkshire Eagle, iBerkshires, WAMC and TWC News and the Pittsfield Gazette.

See you Thursday – you can help make this the greatest Discover Tyler Fair ever!

Sincerely,

Diane Marcella
